3. Generative AI usage Guidelines

Developing any part of the article such as literature review, statistical analyses, models, figures, results, implications and conclusion is not permissible/permitted.

However, improving language and readability using AI tools are permitted.

4. Publishing Ethics

The submitted manuscript should be original one, meaning that it has not been submitted elsewhere for publication or published earlier in its current or similar form.

Please declare conflict of interest, if any, and make sure that the submitted work is not subject to infringement of any existing copyrights.

5. Submission Deadline:

Articles can be sent on any of the days throughout the year and will be considered for the issue around the submission once it is accepted for publication.

6. Article Submission:

A Microsoft Word copy of the manuscript must be e-mailed in the attached files to jmagp@icmab.gov.bd along with an undertaking (in a separate Word file) that the submitted paper is the original work of the author(s) and not yet published elsewhere or not yet accepted anywhere or not yet submitted anywhere for the consideration for publication.
